### **Job Description:**

Body Renovation Physical Therapy is a growing, therapist-owned, orthopedic and sports medicine private practice, with multiple locations throughout metropolitan Milwaukee. Our clinics are primarily located within state of the art fitness facilities. We rely on teamwork, manual therapy, advanced exercise programming, and a commitment to providing outstanding patient care to separate ourselves from other clinics.

We offer one-on-one, 60-minute treatment sessions, in a positive, high energy environment. To support our clinicians growth, we are committed to extensive continuing education and clinical mentorship.

### **Responsibilities:**

- Provide exceptional, personalized care to an active, highly motivated patient population, with a focus on strong manual therapy and advanced corrective exercise techniques.
- Implement effective, patient-centered plans of care.
- Analyze personal productivity using clinic-driven standards, proactively striving for growth opportunities.

### **Qualifications:**

- 3+ years of outpatient orthopedic care.
- Current Wisconsin physical therapy license (BS, MPT, DPT welcome).
- Strong and organized documentation skills.
- Continuing education including strong manual skills, manual trigger point therapy/dry needling and functional exercise.
- Proactive team member who is motivated by a collaborative environment and who thrives on the success of both individual and team.

### **Preferred:**

- Private practice experience.
- Continuing education and/or certification: Institute of Physical Art (CFMT), Myopain Seminars (CMTPT), SFMA, NSCA TPI, etc.
- Specialty/niche practice programming and certification.

### **Benefits, in addition to competitive salary:**

- 401(k) and 401(k) matching
- Continuing education, BRPT orthopedic residency
- Health, dental and vision insurance
- 6 holidays and Paid time off
